Overburden ridge and haul area — nickel concession, Sulawesi.

01 — THE COMPANY

A trusted link in the national nickel supply chain.

2022

YEAR FOUNDED

DOMESTIC
NICKEL ORE
TRADING

PT Tambang Nikel Sulawesi was established in 2022, focused on the domestic trade of nickel ore across Indonesia.

From the outset, the company has been committed to becoming a trusted partner in the national nickel supply chain — delivering reliable, high-integrity service from supplier through to smelter — and to actively supporting the government's national downstreaming (*hilirisasi*) programme.

FIG. 02 — COASTAL ORE LOAD-OUT, NICKEL CONCESSION • SULAWESI

02 — VISION

To be the **number one** nickel ore trader in Indonesia — commanding market share and standing as the nation's mainstay for nickel distribution.

MISSION — FOUR COMMITMENTS

01

Consistent quality

Provide high-quality nickel ore on a consistent basis to meet the needs of industry.

02

Reliable distribution

Build a broad, efficient and dependable distribution network that guarantees on-time delivery and partner satisfaction.

03

Strategic partnership

Forge partnerships with industry players — IUP holders and smelters — and Government, strengthening market position and supporting the growth of the downstream nickel industry.

04

Capable people

Develop professional, competent and high-integrity human resources to support the company's sustainable growth.

FIG. 03 — ORE STOCKPILE & LOAD-OUT OPERATIONS

03 — CORE VALUES

Four principles that hold at every step.

The values below govern how PT Tambang Nikel Sulawesi trades, partners and delivers — from first sourcing to final handover at the smelter.

01

Integrity

Honest, transparent dealing at every point of the chain.

02

Professionalism

Disciplined execution that earns and keeps partner trust.

03

Strategic Partnership

Long-term alliances across the nickel value chain.

04

Customer Focus

Reliability and satisfaction as the measure of success.

INTEGRITY · PROFESSIONALISM · PARTNERSHIP · CUSTOMER FOCUS

TNS

FIG. 04 — HAUL ROAD, ORE MOVEMENT TO LOAD-OUT

FIG. 04 — COASTAL LOAD-OUT, NICKEL CONCESSION

04 — POSITION IN THE CHAIN

PT Tambang Nikel Sulawesi is trusted to supply nickel ore to smelters across Indonesia.

05 — NICKEL ORE SUPPLY BY REGION

TOTAL SOURCING CAPACITY

Sourced across Sulawesi & Halmahera.

940,000
METRIC TONNES (MT)

Sulawesi Tenggara

Konawe · Kolaka — Nickel Ore

600,000

MT · 28.7%

Halmahera

Soagimalaha — Nickel Ore

70,000
MT · 7.4%

SOURCING FOOTPRINT

Sourcing is concentrated in Indonesia's principal laterite nickel belts — South-East and Central Sulawesi — complemented by supply from Halmahera in North Maluku, placing PT TNS close to both mine sites and the country's major smelting hubs.

07 — ORE VOLUME SUPPLIED TO SMELTER

UNIT

WMT

Wet metric tonnes, to smelter

Volume delivered, year on year.

From first deliveries in late 2023, volumes supplied to smelters scaled rapidly through 2024. The 2025 figure is a partial year — recorded as of July — and already stands at roughly half of the full prior year.

YEAR-ON-YEAR REVENUE

CUMULATIVE TO SMELTER — 940,000 WMT SINCE 2023

TNS

08 — OUR OFFERED SERVICES

Four ways we work with partners.

01

Trading Nickel Ore

Core business — sourcing and supplying nickel ore from supplier through to smelter.

02

Venture Capital in Mining

Investment partnership across the mining value chain and its ventures.

03

Barging & Hauling

Logistics contracting — barging and hauling ore from mine site to smelter.

04

Mining Consultant

Advisory across mining operations, sourcing and compliance.

Tell us what you want to discuss — from a single cargo to a long-term supply & logistics programme.
